We appreciate your interest in our Home Study Training Course. Your application has been received and we are looking forward to our next group of students.

With the many and varied doctrinal views now present within the Christian world we like to know how our prospective students view specific issues. The answers to these questions will not influence our decision in accepting you as a student, but will simply inform us of the views of our students. We do however, to avoid confusion and controversy on our campus among our students, request that any who may hold views contrary to M.E.E.T. ministry, not promulgate or teach such views while on our campus to other students, staff or visitors upon this property. So, we simply ask you to honestly answer the below questions and return the questionnaire to M.E.E.T.

Please state your **biblical** position on the following questions. Please use a separate sheet of paper.

1. What is your view on church organization?
2. Do you believe the SDA church is Babylon? Explain your answer.
3. What are your views on: the feast days; jubilee cycle and new moons? Do you celebrate any of these? Explain your answer.
4. What do you believe regarding using the name "Jesus"?
5. What is your understanding of the nature, the position, and the work of the Holy Spirit?
6. What do you believe to be true medical missionary work?
7. What is your understanding of the nature of Christ, and the nature of the converted individual?
8. Do you believe in and accept the writings of Ellen G. White as being inspired of God?
9. What is your understanding of religious liberty? What can be done to preserve it?

**Dear M.E.E.T. Ministry:**

**I have read the Standards and Regulations and I understand and agree to abide by them if I am accepted as a student for the Home Study training Course. (Circle One)**
